Needs & Procedures

Our award winning investment in staff retention and professional development is envied across all business. Many of our clients have seen the same faces on their cleaning staff for years — and that's exactly how we like it.

Our Capabilities

GENERAL CLEANING

We deliver consistent, high-quality cleaning tailored to your facility, keeping workspaces, washrooms and recreational areas spotless, organised, sanitised, safe and replenished ready for you to use.

DISINFECTION & SANITISATION

Powered by UKHSA protocols, our safe products reduce 99.9% of germs and viruses on all common touch surfaces.

TARGETED DEEP CLEANING

We offer detailed services like carpet extraction, machine scrubbing, strip and wax, and high dusting—ideal for periodic resets, high-traffic areas, and seasonal projects to keep spaces safe and effective.

FULLY LICENSED & INSURED

Fully licensed and insured to protect your property and our team ensuring your service is handled with complete professionalism at all times

Project Process

1. CONSULTATION & SITE ASSESSMENT

We start with a face to face consultation to see if we share the same aims and to understand your goals and needs.

2. SERVICE PLAN & QUOTE

We design and agree your personalised cleaning plan and detailed proposal which includes any specific needs which we share with you and that can be adapted as time passes

3. SCHEDULING & SERVICE SETUP

Once approved, we lock in your start date, confirm access protocols, and prepare our team with site-specific instructions. On our first day the team will be accompanied by our Operations Manager

4. EXECUTION & QUALITY CONTROL

Our trained team executes the work to spec, using professional-grade equipment and products. Ongoing or one-time, every visit meets our high quality standards.

5. FOLLOW-UP & SUPPORT

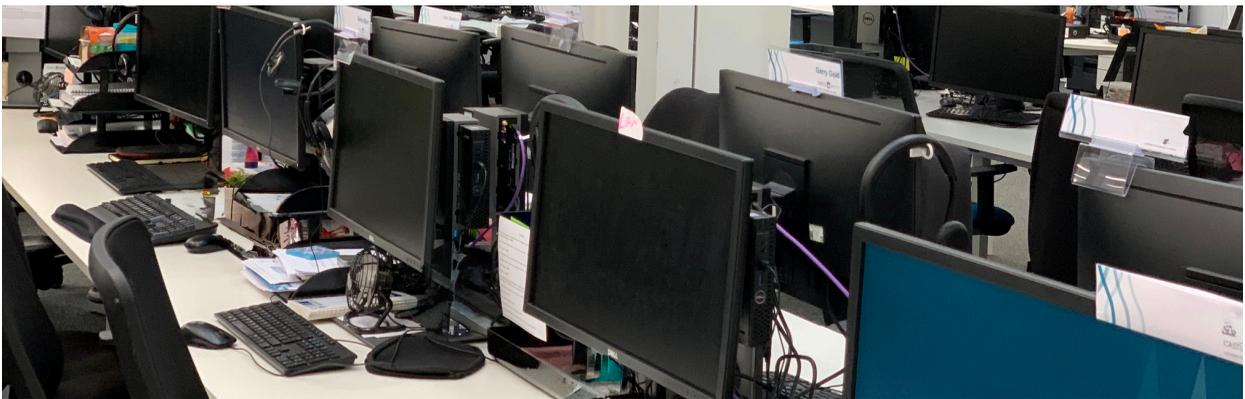

We complete a post-clean review (for one-time jobs) or implement a reporting and feedback loop (for recurring contracts). Ongoing support is always available.

Frequently Asked Questions

HOW DO YOU PRICE COMMERCIAL CLEANING JOBS?

- ▶ We price based on square footage, service type, and frequency. You'll receive a detailed estimate with no hidden fees. We also offer monthly service plans for ongoing clients to save on repeat visits.

ARE YOUR CLEANERS TRAINED AND INSURED?

- ▶ Yes, every team member is background-checked, professionally trained, and fully insured. We're compliant with HSE and use commercial-grade equipment and planet friendly products for maximum safety and performance.

DO YOU HANDLE BOTH ONE-TIME AND RECURRING JOBS?

- ▶ Both. We offer one-time deep cleans, post-construction cleanup, move-in/move-out service, and custom contracts for ongoing maintenance.

WILL CLEANING DISRUPT OUR OPERATIONS?

- ▶ We schedule around your hours to minimize disruption, including overnight or off-peak service. Our crew is trained to work discreetly and professionally in active environments when needed.

WHAT TYPES OF FACILITIES DO YOU SPECIALISE IN?

- ▶ We clean offices, retail stores, gyms, medical buildings, warehouses, restaurants, and everything in between. Each has its own specialized protocol.

Running a business.

It's tough, but so very worth it.
